Logo, Stickers, Coasters

Ralph raised the discussion on new logo. Discussion followed on some possibilities and who to work with. Katie mentioned she has files on past work relating to the logos. Questions were raised on the Pit Stop signs, and other locations where the logo was used. Pat raised a question on what a possible cost would be to change everything. Further action ongoing.

Online Membership

Lori had mentioned following the Treasure's report the online membership seems to be working alright. Jim stated there were some minor problems with the initial transactions because of a new business. PayPal grouped the first number of entries for submission.

Bridge Update

Still in the engineering phase, very frustrating.

AWSC Report

Ralph mentioned Orv was not able to attend and thanked Katie for organizing the gift basket for the Fall Workshop along with all who donated.

Brushing Update

Brushing is currently being completed on SS2.

Maintenance Day

Ralph stated all the work was completed on the Tuckers, a thank you to Jeff and Andy from the Townsend Crew for assisting with their mechanical background. A sign inventory was also completed. He had stated more assistance would have been nice. A question was raised on the alarm in the tucker if this was taken care of. Josh said they are working on this with a possible sensor. He also mentioned the issue with the master cylinder freezing up because of the snow buildup and what could be done.

Member Items

LMT is having an open house on Saturday at their new building on Hemlock Rd.

Johnie questioned if something could be done for the Townsend Crew because of all the volunteer work they assist with.
